

# Incredible Women Inventors: A Women's Hall of Fame Series Book

by Sandra Braun

The latest addition to the acclaimed Women's Hall of Fame Series profiles 10 incredible women with an itch to invent. Written in an accessible, engaging and informative style, *Incredible Women Inventors* examines both the challenges and successes in the lives of Canadian and international problem-solvers. From Madam C.J. Walker, America's first Black female millionaire, to Hedy Lamarr, creator of a code-deciphering system, young readers will have much to motivate them after reading, both in science and in life.

**Laurie Tandrup**, inventor of the **Travelbud Support System** and **Butterfly Support**, is one of the ten women featured in this book (pages 97-106). She is pictured second from the right.
